

Lunch is a wonderfully relaxed affair here...

Black board menus describing the day's deliciousness above the amazing 'hot-table'...

A veritable visual treat for those who love rustic, local food with provenance and flavour...

Main Courses are £16.00 and might include...
...depending on the season and our whim!

Line-caught local cod, skate and sea-bass, Blythburgh freerange pork, local beef, lamb and chicken. Lots of local game as and when available. Plus always something vegetarian.

As an example, as I write this (03/06/15)
we are offering the following:

*Orford cod on a bed of our asparagus
Blythburgh pork with roast apples
Suffolk steak and pigeon pie
Gressingham duck with apricots
Suffolk chicken, wild mushrooms and bacon
Honey roast lamb shank with mint sauce
Roast pumpkin, tomato, garlic & goat's cheese
Mushrooms, white wine, mustard and cream
Devilled lamb's kidneys*

All served with an array of fresh vegetables and potatoes

Leaving you just enough room for one of our fabulous puddings!
